

## Coupeville School District Acceptable Use Agreement for Computer & Internet Usage

Coupeville School District offers student access to the district computer network and filtered Internet access through our network. The district network has been established for the benefit of students, staff and patrons to improve communication and to augment learning opportunities.

Access to network services is given to students who agree to act in a considerate and responsible manner. Access is a privilege – not a right. Inappropriate computer and/or Internet behavior will result in a student’s computer and Internet access being revoked, as well as possible disciplinary action.

Please use the form below for your student to acknowledge his/her understanding of appropriate use, and for you to grant permission to access network computer services. Coupeville School District policy and procedure 6820–Electronic Communication Systems provide a thorough description of acceptable use, and are available on the district website (<http://www.coupeville.k12.wa.us>). Printed copies may be requested from Janet Wodjenski at the district office (360-678-4522).

Behaviors that could result in the loss of computer and Internet access on our network include:

- Logging in as someone else and/or using another’s password.
- Consuming food, drinks and/or gum near the computers.
- Plagiarism or violation of copyright laws.
- Downloading software or files onto school computers.
- Trespassing into the folders or documents of someone else.
- Changing the preference files or settings on any computer.
- Using proxy sites or attempting to use proxy sites to bypass the school web filter.
- Vandalizing or theft of computers, computer equipment (mice, keyboards, printers), or software.
- Searching for, viewing, downloading, or sending pornographic, obscene, violent, harassing, or racist materials on district computers.
- Downloading music or videos for personal use.
- Using external media devices (flash drives) to copy copyrighted software.
